Professional Summary

Creative Lead with 12 years of experience in Art Direction, Branding, Visual Identity Systems, and 360° Campaigns, including more than 3 years in creative team leadership roles.

Experience leading a Design department of more than 10 professionals and coordinating creative squads, combining art direction, people management, processes, and technology.

Specialist in Generative AI applied to creative production, building node-based AI pipelines that reduced the development of a visual route from approximately 2 hours to 20-30 minutes while preserving art direction, aesthetic standards, and brand consistency.

Experience in nationwide campaigns, commercial films, retail and POS communications, end-to-end Branding projects, on-set direction with crews of 30+ professionals, creative process optimization, pitches, competitive reviews, and talent development.

Professional Experience

AI Creative Lead
Jotacom - The Cross Performance Agency | Feb 2026 - Present | São Paulo, SP
- Leads a squad of 4 creative professionals, overseeing art direction, visual consistency, and the AI-assisted creative production structure.
- Built approximately 25 visual styles in node-based pipelines using Flora, ComfyUI, and Magnific, enabling the team to replicate consistent aesthetic standards.
- Reduced the development of a creative route from approximately 2 hours of trial and error to 20-30 minutes of application.
- Directs audiovisual productions, including on-set direction, crew coordination, and visual mood definition.
- Works across 360° campaigns and audiovisual content series for social media.

Selected clients: Mercado Livre, UOL, NIO Internet, and Duolingo.

ACD - Associate Creative Director (AI-Driven)
DDAO Creative Lab | Feb 2025 - Feb 2026 | São Paulo, SP
- Led Design at an AI-focused creative lab, overseeing creative direction, deliverable approvals, and workflow design.
- Implemented hybrid AI + Design workflows, reducing production time for creative routes.
- Led creative direction for Óticas Diniz's nationwide campaign.
- Established quality standards for AI-generated materials, preserving art direction intent and visual consistency.
- Mentored designers in concept development, Artificial Intelligence applications, and visual refinement.

Head of Design
Agência Ecco | Apr 2022 - Feb 2025 | São Bernardo do Campo, SP
- Led a Design department of more than 10 professionals, overseeing aesthetic standards, processes, quality, and delivery.
- Redesigned the internal creative workflow by implementing structured briefs, allocation by professional profile, and triage between AI-assisted and traditional production.
- Achieved a 28% reduction in rework and a 25% increase in delivery speed, with results tracked in Asana.
- Directed 360° campaigns and audiovisual production sets with crews of 30+ professionals.
- Developed end-to-end Branding projects covering positioning, archetypes, tone of voice, typography, visual identity systems, and brand books.
- Delivered 15+ brand systems, 50+ visual assets, and 30+ moodboards.
- Served as a key creative leader in pitches and competitive reviews.
- Developed visual systems, Key Visuals, and campaigns for national retail, industry, and service accounts.
- Partnered directly with Planning and Account teams to develop concepts and creative routes.

Selected clients: Mercedes-Benz, Stabilo, Uni-ball, POSCA, Jandaia, Dr. Scholl's, CiS, Linx, TecBan/Banco24Horas, SOS Mata Atlântica, Multishow, Echoenergia, Nazca Cosméticos, Lepok, and Activas.

Professional Experience
